

Add a natural base for contrasts with Sustana Kraft™ for any type of promotional material or commercial print.

It's a perfect environmentally friendly medium for remarkable design.

Use a ton of Sustana Kraft™ rather than a virgin paper and save the equivalent of:

7

trees

1,773

gallons of
water

2,864

lb of greenhouse
gas emissions

Applications

→ For any type of promotional materials

→ For commercial printing
